# LoopUp Quick Start Guide
Screen Sharing

Get more out of your meetings with LoopUp's one-click screen sharing. Guests can view screen sharing on any device and any browser, no downloads required.
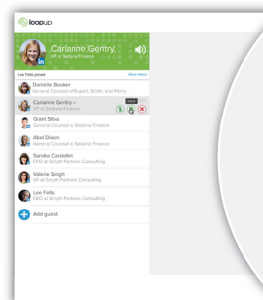

Join Your Meeting

o Click the link in your invite

o Enter your name and phone number

o Click **Call Me Now**

Share Your Screen

o Click **Share My Screen**

o Allow the one-time download (only your first time sharing)

o Resize the green band to show only what you want to share

Allow Guests to Share

o Guests can click Share My Screen

o You will see a permission request

o Click **Allow**

For Guests Who Dialed In

o Tell guests to click the link in their invite and then click **Enter Meeting Key**

o Provide the Meeting Key located at the bottom right-hand side of your meeting
