**About LoopUp Group plc**

LoopUp (LSE AIM: LOOP) is a cloud platform for premium hybrid communications. The Group's flagship Cloud Telephony solution for Microsoft Teams enables multinational enterprises to consolidate their global telecommunications into a single, consistently managed cloud implementation rather than disparate implementations from multiple carriers. The Group's hybrid auditorium and events solution, Hybridium ([www.hybridium.com](http://www.hybridium.com)), brings unrivaled engagement and analytics to larger scale hybrid education, training and events such as management onsite, departmental kick-offs, capital markets days and thought leadership seminars.

The Group is listed on the AIM market of the London Stock Exchange (LOOP) and is headquartered in London, with offices in the US, Spain, Germany, Hong Kong, Barbados and Australia.
